EXPERIENCE

Geeks for Geeks

Technical Content Writer

Apr 2023 – Sep 2023

 Link: Articles

- Authored 3 technical articles on **Docker and AWS**, which received over **10000+** views and contributed to readers' understanding of cloud computing.

Hacktoberfest '22

Project Maintainer

Oct 1, 2022 – Oct 31 2022

Remote |  Github

- Mentored 15 first-time contributors during Hacktoberfest, providing guidance on submitting high-quality pull requests.
- Led the open-source development process, helping contributors understand best practices and contributing to 5+ successful PRs.
- Assisted in merging 20+ pull requests, fostering collaboration and contributing to the project's growth.

Google Summer of Code '22 @CCExtractor

Contributor

Jun 12, 2022 – Oct 19, 2022

Remote |  Github

- Led integration tasks in **GSoC'22 @CCExtractor**, enhancing the CI/CD pipeline to optimize deployment efficiency and minimize integration issues.
- Managed the **CI/CD pipeline**, reducing build failures by **30%** and streamlining software deployments.
- Fixed bugs that occurred during the development of the project.
- Enhanced project functionality by contributing **16 well-documented commits**, focusing on modularity and maintainability.

PROJECTS

Uni-Share | Flutter, Firebase

 Github Repository

- Developed the **Uni-Share app prototype**, aiming to support **1000+ users** for sharing academic resources like notes, assignments.
- Implemented **10+ core features**, including content sharing, real-time chat, and file uploads, enhancing student collaboration.
- Integrated **Firebase** enabling real-time data syncing, robust database management, and seamless backend services.

Ayumi GPT | Flutter, OpenAI

 Github Repository

- Developed **Ayumi GPT**, a mobile app powered by OpenAI's GPT model, enabling real-time, interactive conversations.
- Integrated **Chat GPT API**, enhancing user interactions with responsive AI-driven replies.
- Implemented **key features**, like personalized chat histories and suggestions, increasing user engagement.
